RE: United Health Care Contract-In Network Status

Dear Valued Client,

Delta is pleased to announce that we will be back in the United Healthcare Network (UHC) effective July 1, 2022. Making the decision to go out of network was not made lightly, and we are pleased that UHC recognizes the value Delta brings to the communities we serve. We wish to express our appreciation for the patience and support you have demonstrated during this process.

We look forward to our continued relationship with your practice/facility. If you need any additional information please feel free to contact me with any questions at melonie.falcon@pathologyresource.net or by phone 318-213-5656.

Sincerely,

Melonie D. Falcon
